COMMANDER'S COMMENTS

Bob Mischler, Commander

Looks like the warm weather has finally arrived. Now if only something could be done about the rain.

Our Memorial Parade was an event to remember. The rain was timed with the parade. I heard many comments on the commitment our Post had to the parade. Through rain or shine.....

You can find the slate of next year's Officers in the Post Meeting Minutes. Our Installation Ceremony was moved to August 15th. Hope to see you all there.

If you have any pictures of our Post's activities, please send them to pnpost76@gmail.com.

Nothing great is ever achieved without enthusiasm.

We're looking for donated items and monetary donations. Please spread the word to any homeless Veterans that you know. We fall under the Chicago Stand Down organization for non-profit, tax exempt status. Current Congressional House Bills:

H.R. 3833 – Caregivers Expansion Act – Extends to all veterans with a serious service-connected injury the eligibility to participate in the Department of Veterans Affairs (VA) program of comprehensive assistance to family caregivers of such veterans. Under current law, such eligibility is limited to those veterans who incurred such an injury on or after September 11, 2001. This will include all Veterans pre and post 9-11.

H.R. 969 – Blue Water Navy Vietnam Veterans Act of 2015 – This Act will include Blue Water Personnel who were on a ship off the coast of Vietnam (territorial seas) for purposes of the presumption of service connection for diseases associated with exposure by veterans to certain herbicide agents while in Vietnam.

H.R. 2123 – Enhancing Veteran's Access to Treatment Act – Currently the VA is only allowed to give medication that is on their approved list to Veterans. When a Veteran leaves active duty and if he was receiving medication while on active duty, but that medication is not on the approved VA list, the VA will give a substitute medication to the Veteran. This Act will allow the VA to give the medication to the Veteran that he was receiving while on active duty.

Illinois Secretary of State:

This July, Veterans will be able to put Veteran on their driver's license. They have to take their DD-214 to one of the driver's facilities and that along with the application will be sent to the Illinois Department of Veteran's Affairs for Veteran verification. Once the verification is complete, the Veteran will receive his driver's license.

Thank you for your commitment to our Legion and Post.

Legion Happenings

As I write this letter, I am home drying out after watching the Wheaton Memorial Day Parade. It was just starting to sprinkle when I walked over to city hall, my perch for the morning. I met up with some friends and we chatted under a tree as it was really starting to come down and we were umbrella-less.

The parade began, the rains came down and my friends decided to go back home and I started back myself. Then as I watched the marchers carrying on, soaked to the skin, I decided to stay and watch.

It was a wonderful sight, the cherished veterans, the school bands all playing, the Cubs and Boy Scouts, the Brownies and the Girl Scouts and their leaders all soaking wet but carrying on. The music, the flags, the umbrellas, the plastic garbage bag rain shields, the loyal parade watchers were all doing their thing as usual.

I was reminded of a picture on Facebook of the guards marching in a rainstorm at the Tomb of the Unknown Soldier in Arlington Cemetery, who carry on no matter what the weather is day in and day out. Memorial Day is to honor our veterans who have served our country and today the city of Wheaton did that in fine fashion.
